HOLIDAY 2010
ISSUE #170

C'mon when was the last time you've seen a chick this beautiful shed'em, spread'em and then shove her fingers deep into her pussy just so you can get some pleasure? Well, as you can see Digital Playground's gorgeous party girl Riley Stelle has done just that very nasty thang for our cameras! But there's lots more where that came from — including some girl-on-girl-on-girl action that's was so damn perverted we had to run it by the powers that be just to make sure it was all on the up and up! So, stop reading and get those eyes focused on some pupil scorching pics! — *Editor Malle*

A HAIRY EXPERIENCE

I originally come from Poland, but I've lived in the United States for many years now. I'm 30 years-old, attractive, very sexually liberated and experimental. I do what I please—as I please. However, it hasn't always been easy to find a man to share my eroticism with. You see, I'm kind of different, or at least, I look kind of different. Being of European descent, I prefer the “natural” look, meaning I don't believe in shaving my legs, underarms—or pussy. And I don't mask any “real” scents. Obviously, American men are conditioned to like their ladies “perfumed” and hairless—underarms, legs, and cunts! Since I love sex, and I was chasing away a lot of potential suitors, I decided to post an online ad on a kinky personals website.

Voila! It didn't take long to connect with a like-minded fellow. He wrote that he was very kinky, loved hairy women, and was very much into a woman's natural odors. We made a date to meet. Deciding to be cautious, I set up the meeting to take place at a local bar. His name was Theodore, and as a couple years older than me, he was decent-looking, with a nice build. Over cocktails, we hit it off. One thing led to another and, before I knew it, we were back at my place. After a couple more drinks, we started making out. Our tongues invaded each other's mouths and we kissed passionately, our hands roaming each other's bodies, then Theodore took off all my clothes—then his.

When we were both naked, he began fondling my breasts, alternately sucking and fingering them. Then he began sniffing my underarm, then licking it and swirling the hair around between his tongue. I'd never had anyone do that before, and after the initial shock, it was kind of stimulating. Theodore seemed to be getting more turned on by the minute, sniffing my un-deodorized underarm. He began telling me how he loved body hair on a woman and how my “smell” made him wild with desire.

After he let his tongue and nose linger in my armpits for a few minutes, Theodore pushed his head down into my crotch, which is also very, very hairy. He inhaled, then began licking away with great enthusiasm. He lapped away at my bush, driving me wild. Theodore couldn't help but stroke his rigid cock as he licked away. I was close to the edge of cumming, and I think he was, too.

But before either of us let loose, he moved his

lingual assault to my legs. He began gently biting my limbs and playing with the hair. He was literally going wild—doting on my hirsute limbs. Then he returned to my underarms, sniffing them, then stuffed his nose into my cunt and asshole. Obviously, he was very turned on by my natural odor as well as my hair.

When his olfactory senses seemed satisfied, Theodore—now boasting an even bigger hard-on—resumed playing with my legs. Only now, he brought his cock into play. He began rubbing

cum off of my legs. It seemed to spur him on, as his cock began regaining its full length. It was incredible, to say the least. His tongue against my sticky flesh felt strange, but nice. Yet, what could happen for the encore to make this even hotter?

Well, Theodore answered that one rather quickly. He told me to lie down and spread my arms. I couldn't figure out that he wanted to do, but I should have guessed. With his prick now hard as a rock, he slowly guided it up the right side of my body. Then he began stroking away, fucking my underarm as if it were another pussy. Back and forth and all around, he pumped his cock with great energy. It was a unique feeling—one which I enjoyed immensely.

Theodore soon switched his attention to my other underarm, following the same procedure, fucking me with the same fluid motion. He was quite adept at this sort of thing. Then he had his second orgasm of the evening, this time shooting his load all over my armpit and down my arm. And, yes, when he was finished, he licked it all up!

This time I was really into it, and I wanted to return the favor. His musky male smell got my juices flowing, and I could see why he was so turned on by my womanly odors. I licked him all over his body, especially around his cock and balls, and I even rimmed his hairy asshole. We were now both ready to go at it again, which we did.

Next time around, we fucked “normally,” but it was still one of the most intense times I can ever remember. He stayed inside my pussy for a long time, and my cunt sopped up all his joy juice when he came.

Theodore is a very erotic man, and though I'm still waiting for our second “date,” I'm sure it will be anything but a

hairy experience!

—B. N.Canton, OH

against my legs with his rod. The feeling was incredible. He was creating a great deal of friction, pushing his dick up and down against my hairy legs. I was playing with my clit while he was rubbing against my leg. As I began to moan, Theodore also began erupting. He shot his sticky semen all over my leg in big bursts. Surprisingly, this excited me even more!

When his orgasm subsided, Theodore was still panting, his cock still semi-erect. My legs glistened with his cum, which was glued to the hair on my legs. What a sight! But it got to be really something to behold when Theodore did something even kinkier.

Believe it or not, he began licking his own

THE SECRET TO A HAPPY MARRIAGE

My husband and I love to read about wild experiences that people have, but I'd like to relate our own wild time if I may have the floor:

About two years ago, Ted, my husband, met this girl on his way home from work. They sat next to each other on the train and struck up a conversation. The girl, Ginny, made it very clear that she found my husband attractive. Even when he told her that he was married, she still wanted to fuck

In his waning years, a man named Mr. Wilson realized he couldn't take his money with him—of which there was a considerable sum—and so he decided to spend it on the pleasures which had eluded him during his entire existence of relentless hard work and pig-headed isolation.

So, Mr. Wilson proceeded to seek and hire through whatever means at hand, the company of young women such as: Ericka, Jasmine, and Sasha to come to his house and perform for him in the most outrageous manner those acts of which he had been so fond in fantasy, but had taken so little opportunity to seek in reality.

He did not know exactly which name went with which girl, because they introduced themselves in a rush. Young females, he recalled, are always like that—full of heedless pep sometimes. However, it didn't matter who was who, because in exchange for helping them with their tuition for acting school, they entertained him as a trio with acts of slutty and Sapphic performances, and he was as happy as a fellow of his greatly advanced years could be.

He did not touch them. It was far more interesting to sit off to the side and watch their movements, lack of inhibition, and their ability to burrow into each other's holes, than to complicate the scene with his bony body, gray hair, and wrinkly skin. The beauty of their bobbing breasts, their plump and pungent vaginas, their sinful assholes and their shameless tongues—filled him not just with joy, but the happiness of seeing again in the front of his shorts a tenting, and a spurting, of which he had long since deemed himself incapable.

So, all in all, it was money well spent! ♦

TOP 10 FAVORITES FOR USERS OF REALTOUCH PLEASURE DEVICE

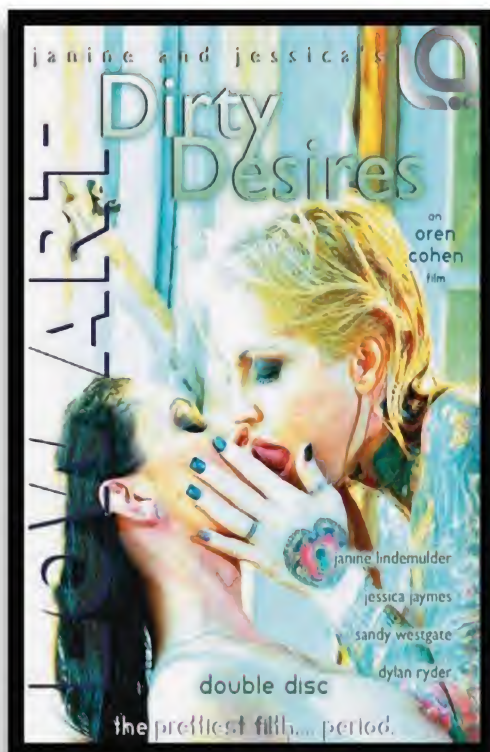

A recent poll showed that adult stars: Sasha Grey, Bree Olson and Tanner Mayes head the list of performers men most watched as they were using RealTouch—the high tech personal pleasure device.

Other stars among the Top ten RealTouch favorites are: Ashlynn Brooke, Jenna Jameson, Jenna Haze, Lisa Ann, Tori Black, Lexi Belle and Faye Reagan.

"These stars are among the very best in the adult world and their popularity is confirmed by the fact that more men are using clips from their films for their personal enjoyment than any of the others," said Suzann Knudsen, Director of Communications for RealTouch.

Developed by a NASA-affiliated engineer, RealTouch allows men to experience the same sensation the actors in an adult film clip are feeling as he watches a specially encoded video scene, including warmth, moistness and friction.

JANINE HAS 'DIRTY DESIRES' IN NEW LOW ART FILMS RELEASE

Oren Cohen's Low Art Films imprint has released *Dirty Desires*—the only adult movie to feature Janine in footage shot this year.

"This is the only Janine film on the market, shot in 2010," Cohen said. "It was an honor to make, and incredible to work with her, and the scenes show you why she is the most famous woman our industry has ever had the pleasure of calling 'A true star.'"

Dirty Desires is packed with nine erotic scenes in a two-disc set. The movie also features: Jessica Jaymes, Dylan Ryder and Sandee Westgate.

A recent staple of the tabloid press for her custody battle with ex-husband Jesse James, Janine's triple-X appearances of recent vintage have been exceedingly rare.

"I am proud and excited to release this movie with Janine," Cohen went on to say. "She's a wonderful person with a vivacious spirit that needs a lot of help and support through these times. I wanted to capture her spirit in a positive and beautiful way. I want her to be proud of the imagery being presented to the world. I would love to see this release usher in a new era for Janine. She needs to be a part of her success on camera both in a fiscal and creative sense. Hopefully this will be a first step in her ultimate reclamation of her career."

VIVID SAYS MONTANA FISHBURNE'S XXX FLICK WILL SELL OUT IN THREE DAYS

Vivid Entertainment announced that on only its third day of shipping out the new Vivid Celeb release—*Montana Fishburne*, starring the daughter of actor, Laurence Fishburne, the studio had completely depleted its first-run supply of the title.

"I am trying to fulfill the orders I have right now for the local distributors," Vivid Sales Manager, Howard Levine, told AVN. "Due to the tremendous news coverage, the title just blew up—actually beyond expectation."

The movie is more than an hour long and follows the uninhibited Montana as she engages in wild, erotic adventures in a car, hotel room and even in public while visiting a mall!

"I view making this movie as an important first step in my career," said Montana. "I've watched how successful Kim Kardashian became, and I think a lot of it was due to the release of her sex tape by Vivid. I'm hoping the same magic will work for me. I'm impatient about getting well-known and having more opportunities, and this seemed like a great way to get started on it."

Visitors to vivid.com will be able to find out how they can purchase the celebrity sex video and see a portfolio of sexy stills from the movie.

KEVIN SMITH IS "HAVING SEX, WITH KATIE MORGAN"

Clerks creator, Kevin Smith, is teaming up with his *Zack and Min Make a Porno* troupe member—Katie Morgan—for a weekly live talk show at his SModcastle theater undelicately titled: "Having Sex, With Katie Morgan."

The SModcastle is a venue on Santa Monica Blvd. acquired by Smith for hosting live "SModcasts" (the name of the podcast he hosts with producer, Scott Mosier) and other events, including weddings officiated by Smith himself.

"Having Sex" is presented every Friday night before a live audience at the theater, but as of yet, no plans are in place for the show to be broadcast, according to Morgan.

"We just announced yesterday that we're going to do this, so I'm not sure what angle they're coming at yet," Morgan told AVN. She did confirm,

Katie Morgan and Kaiya Lynn from *Spunk'd The Movie* (6969 Ent.)

however, that: "It's a live weekly theater show," and said she will provide more details about the format once they've been fully solidified.

Morgan's ties with Smith extend beyond being directed by him in *Zack and Min*—he, in fact, presided over her wedding to Jim Jackman September 9, 2009.

NINA MERCEDEZ RETURNS TO PERFORMING

As reported by AVN.com, Nina Mercedez has announced her return to the adult movie industry. Mercedez had been on a two-year hiatus, directing her attention entirely to establishing her *XXXSexCash.com* website network and affiliate program.

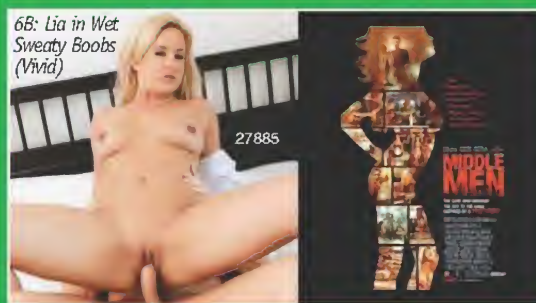

Among the work, the Latina beauty has lined up as part of her comeback is a boy/girl scene for an upcoming Adam & Eve release, a number of all-girl scenes for *Naughty America* and *Dani's*, as well as some exclusive content for her site: NinaMercedez.com.

Mercedez's other projects include embarking on a feature dancing tour, and recently signing an exclusive contract with Loveable Dolls, becoming a company spokesmodel, along with having her likeness created into a life-size platinum silicone doll.

LIA GOES MAINSTREAM IN 'MIDDLE MEN'

Vivid Girl, Lia, returns to her roots as a Web girl when she appears in multiple scenes in the mainstream movie *Middle Men*. Lia was a superstar on the web with her solo site www.lia19.com before she signed on to make movies exclusively with Vivid—the world's leading adult film company.

Inspired by a true story, *Middle Men* takes us back to 1995 as the porn industry was beginning to realize the potential of the Internet. Businessman, Jack Harris, (played by Luke Wilson) meets up with Wayne Beering (Giovanni Ribisi) and Buck Dolby

(Gabriel Macht) who have developed a way to make money from adult entertainment on the web. Jack gets involved not just with the new business, but also with a beautiful porn star. The FBI also plays a role in the film as Harris rakes in millions of dollars and becomes one of the first wealthy porn entrepreneurs.

"I had a blast working on the movie and it was fascinating for me to learn how the adult web business was started and developed," said Lia. "I think my own experiences in the Internet business and more recently making movies like *Lia's First Time* and *The Rush* for Vivid, helped me a lot. As we were making the movie I was asked to become a consultant to actress Laura Ramsey, who plays the love interest, and taught her some of the things she needed to know about the adult industry from my own background."

MORE THAN JUST A COCK

IT DIDN'T JUST GET HER CHIN,
BUT CHANGED HER DESTINY

27903

What was becoming of Connie? Ever since she'd met Dennis, the only thing she thought about was his cock. It didn't seem right.

After all, she reasoned with her thought. This is the 21st century after all! I should be concentrating on my career, and after reaching the top in that arena, finding a man to settle down and make babies with—girl babies, of course, as many women's magazines say, because the "Golden Age of the Female" is upon us! Connie wanted to be a useful member of society, and had been brought up by her feminist single mother with morals and goals and a sense of responsibility. However, once Dennis stuffed his prick in her pussy, everything was topsy-turvy. And when he shot off a huge load on her mouth and it dripped down her chin, painting her in her own mind as an eager slut (she'd never taken a load on the chin before), she began to recalibrate her plans for the future. Maybe it wasn't necessary to become a powerhouse in the business world. Maybe she didn't have to settle down with a "good man" (and maybe keep a "bad boy" on the side) and raise a family of girls to join the ranks of the females who are supposed to rule our society someday soon—if the hopes and fantasies of opinion-makers come true! No, maybe for Connie, it was more about Dennis' cock now, the thick bulky girth of it (every cell in her pussy felt alive when he moved back and forth in her), and its lovely crown when it was hot and squirting its stuff like a fountain of lotion to gleam on her cheeks.

Yes, Connie's destiny was changed by an encounter with Dennis' cock. And who knows, if she was meant for greater things than dick, perhaps the destiny of the world changed as well? ♦

WATCH A BALLGAME INSTEAD

BREAST MEAT 3

STARRING: Jessica Moore, Catalina Taylor, Faye Reagan, Evanni Solei, Elle Ryan, Lisa Sparkle, Erik Everhard, Toni Ribas, James Deen

DIRECTED BY: Erik Everhard

AVAILABLE FROM: Erik Everhard Entertainment

Bra bustin' babes bang it out in the third installment to Erik Everhard's breast-tacual series that consistently delivers what big tittle fans are after. This latest edition is no exception, and certainly does its part to deliver the goods.

Leading the pack is Jessica Moore, who gladly twists and bends in order to shove

Erik Everhard deeper inside her snatch. Before she's through, she works backwards to take every position again up her asshole!

Catalina Taylor—a gorgeous Latina—is another tramp that takes it up the tushy when she catches James Deen spying on her. With a killer blowjob to start things off, Catalina is wet and ready to go, accepting cock anywhere James wants to shove it.

The next scene begins with Erik catching Faye Reagan masturbating on her bed. Switching out the cock on paper for the real thing, Faye is more than happy to play hide the salami. Having to take things a tad slower with this girl, we get to see a softer side of Erik—although not for long.

The second disc begins with Evanni Solei taking it the hard way from Toni Ribas, but not as hard as he gives it to Elle Ryan's cream-filled hole.

Lisa Sparkle ends the show with plenty of shine when Erik and Toni make her take both of their cocks at the same time. Naughty!

EXTRAS: With ample BTS coverage, Erik offers over 15 minutes of on-the-set fun. In addition to that, he has a stocked photo gallery waiting to be salivated over, plenty of trailers and a pop shot recap option that he's happily named, "Cum Fiesta." It's a virtual party, and you're all invited!

BREE'S COLLEGE DAZE 3

STARRING: Bree Olson, Dani Jensen, Nicole Ray, Gracie Glam, James Franko, Randy Spears, Chris Johnson, Mr. Pete, Rocco Reed

DIRECTED BY: Andre Madness

AVAILABLE FROM: Adam & Eve Pictures

It should be mandatory for every porn to begin with sexy students exercising in gym class. Thankfully, director, Andre Madness, got the memo! In what is a great little number for schoolgirl and Bree Olson enthusiasts, these naughty nymphs deliver killer sex, although at times, the sound quality is inferior.

Simmering in the first scene, Bree does the deed with James Franko. He gives her a lesson in French by intertwining their mouths and

middles. Although hot to watch, James doesn't take Bree to her limit—far from it, in fact!

Gracie Glam, on the other hand, is bent over backwards when Rocco Reed tests out the elasticity of her pussy. With popping chemistry and a curvy body, Gracie goes for the gold by delivering a sloppy blowjob and plenty of wet puss.

It isn't until seasoned veteran, Randy Spears, gets his hands on Bree that we really get to see what she's made of. With a slippery tittie fucking session and tons of cock choking, Bree is explosive—she doesn't stop until he pops!

Feeling as confident as a jungle cat, after a sex lesson from Bree, Nicole Ray pounces on Mr. Pete. He relinquishes control to her before

taking it back when slamming her in doggie position. *Nasty!*

Dani Jensen also receives some coed cock, ending the movie as hot and sweaty as it began.

★★★★

EXTRAS: Loaded with extras, Adam & Eve make sure to leave you satisfied. From the funny BTS antics, to the hilarious blooper reel, and sexy photo gallery spread, there is plenty of material to keep you rock solid. The interview session is especially nice, while the bonus sex scene starring Sasha Grey and Lisa Neils is what porno dreams are made of. There are bikinis, oiled up bodies, and plenty of spilled juice boxes to turn any chub into a raging boner. Don't forget to check it out!

GIRLZ TOWN

STARRING: Prinzess, Isis Love, Amber Chase, Tara Lynn Foxx, Michelle Lay, Devon Lee, Darryl Hanah, Melissa Monet, Capri Anderson

DIRECTED BY: N/A

AVAILABLE FROM: Girlfriends Films

The leaders in female erotica are at it again. Here, nine carpet-munchers hunt each other down in a sexy cat 'n' mouse game that leads to four tantalizing acts of lesbian love. With plenty of body worshipping, kissing and licking represented, fans should enjoy this release very much.

The show begins with Isis Taylor seducing Prinzess as she straddles a staircase. With a standing mirror strategically placed

behind them, the viewer can witness the sex unfold from the front and the back. Expect lots of French kissing and pussy grinding to fill the frame!

The next girls up to bat are Amber Chase and Tara Lynn Foxx. Both donning healthy bodies with plenty of squish, the girls make good use of each other's holes. Especially hot is when Tara Lynn arranges Amber in pile driver position to suck her slit clean like a Hoover vacuum. Amber also has a go by burying her sniffer inside of Tara's wet slit!

In an effort to console a grieving heart, Capri Anderson and Melissa Monet double up to give Darryl Hanah some girl love. Tag teaming her twat with plenty of tongue,

both ladies attack her labia with feline force, resulting in solid oral execution.

MILF-y babes, Devon Lee and Michelle Lay, end the show by smashing their tits together and scissor fucking their seasoned slits to pop. Hot!

★★★

EXTRAS: Although usually light on the extras, Girlfriends Films steps it up to include special footage of some promotional material, such as advertisements designed to showcase some of their award-winning titles and other company accomplishments. The photo gallery is also decent, while the eight featured trailers pack enough punch to have you begging for more.

GLAMOUR GIRLS 3

STARRING: Tori Black, Eva Angelina, Angelina Armani, Samantha Ryan, Catalina Taylor, Manuel Ferrara, Mick Blue, Mr. Pete, Michael Stefano

DIRECTED BY: William H.

AVAILABLE FROM: Elegant Angel

Join director, William H., on a sexual odyssey, whereby he takes five impeccable glamour girls and unleashes them on awarded studs. Beginning each scene with a sultry striptease, he ensures you are warmed up before the big show...and what a show it is!

Tori Black, the ultimate beauty queen, looks amazing when posing at a hilltop mansion and even better with Michael Stefano's

cock flanking her pussy. With popping chemistry, this is the pairing to beat.

In the follow up sequence, Samantha Ryan, who has just reintroduced meat back into her diet, gets her fill of sausage when Manuel Ferrara pays her a visit. Fucking her deeper than she's likely been fucked before, and pushed beyond her limit, this is clearly Samantha's hottest and hardest scene to date!

Known for her explosive sexual prowess, Angelina Armani secures her position as a jungle cat during her screw session with Mick Blue. Making her climax repeatedly, Angelina remains a juicy box of she-cum.

Latina lovely, Catalina Taylor, looks incredible when taking a licking from Mr. Pete. Once wet and ready, Catalina goes full

bore on Mr. Pete's lap, taking complete charge of the situation in cowgirl position.

The piece de resistance happens in the final scene when Manuel Ferrara and Eva Angelina collide. Their grueling encounter ends in a healthy pop shot—with Eva getting fucked hard by Manuel's feet!

★★★★★

EXTRAS: A basic array of extras is being presented. Although slim in content, the extras are popping with quality. Look forward to a well-stocked image gallery spread. Captured are BTS fun that reveals the girls in candid moments during their day on set, a cumshot recap option, and plenty of hardcore trailers to ensure you keep coming back for more. Don't miss out!

★★★★★

NYLONS 7

STARRING: Sara Sloane, Amy Brooke, Tanya Tate, Andy San Dimas, Juelz Ventura, Mr. Pete, Mark Wood, John Strong, Denis Marti
DIRECTED BY: Miles Long
AVAILABLE FROM: Third Degree Films

Satiating our craving for curvy legs and silk stockings, director, Miles Long, has included another addition to his winning series that showcases some of the most gorgeous gams in the game. The result is a stocking lover's paradise.

Sara Sloane not only dazzles on the cover with her sexy nylons and bulging boobs, but also really shines inside when paired with Mark Wood. Paying ample attention to her

puss through incredible positions, Mark ensures Sara leaves the scene with a skip in her step and a swagger in her walk.

Blonde cutie, Amy Brooke, does double duty when giving up her pussy and pucker to John Strong. Although she performs well in every position, watching her take it up the ass in a missionary straddle really takes the cake!

Keeping her stockings on throughout, Juelz Ventura, a tougher broad, looks elegant and sensual when dressed up like a fuck doll. Denis Marti agrees, eventually popping on her nylon clad toes and watching her sop up his gravy with her tongue.

Tanya Tate—a MILF thrown in for good measure—also does a bangable job with Mr.

Pete. Leading her through several sexual configurations, she responds the best with his tongue shoved in her twat. Although good, Mr. Pete's chemistry with Andy San Dimas is far hotter. With an incredible body and a killer sex drive, Andy is where it's at!

★★★★★

EXTRAS: The photo gallery section is second to none, offering slide after slide of erotic imagery. The cumshot recap option is also presented well. Other than that, the extras are quite limited. Instead of wasting too much time here, go back to the main menu and restart the featured presentation. Nylon clad girls getting stuffed is the real attraction here!

★★★

THAT'S MY GIRL

STARRING: Jesse Jane, Riley Steele, Yurizan Beltran, Juliette Bardot, Krissy Lynn, Brandy Blair, Brandy Talore, Mr. Pete, Manuel Ferrara, Charles Dera

DIRECTED BY: Robby D

AVAILABLE FROM: Digital Playground

People have fun sharing their chicks with men in director, Robby D's, latest stroke-fest for Digital Playground. Through five hardcore scenes, we watch as couples willfully go to the forbidden zone in an attempt to fulfill their kinky desire of watching their partners being fucked by others.

In a battle of the sexes, Jesse Jane is out to prove that she can fuck Brandy Blair better

than Manuel Ferrara. With impeccable oral given by each participant and plenty of Manuel's cock, both girls end up on the winning end of the stick.

In the next instance, Yurizan Beltran watches as her lesbian lover, Juliette Bardot, gets cock in front of her. With Charles Dera pumping the issue hard, Juliette and Yurizan climax from the experience.

Eager to meet her man's request, Brandy Talore gets her mega mammaries swaying when Mr. Pete comes over to service her undercarriage, fucking her wildly across an elegant bed. Meanwhile, Riley Steele goes positively bonkers when riding Charles Dera's stick in cowgirl before the big facial finale, as her loving hus-

band watches the action from a side chair.

However hot, the best pairing happens when Manuel Ferrara pays Krissy Lynn a visit while her husband is at work. Making her squirt while standing, Manuel ensures he's given an open invitation to come over and play the following day.

★★★★

EXTRAS: The hardcore images are available in the bucket loads. Not only can the pictures be viewed in the photo gallery section, but they can also be experienced through a slideshow format. Also included, are trailers for more hot commodities, and a 16x9 Widescreen format for better viewing. It's a good time! ★★★★★

Club International has assembled the newest names in the biz to figure out some of their secrets. Here is a sample of the latest gonzo babes giving a glimpse into the start of their porn careers. We want to know:

WHAT WERE YOU DOING BEFORE PORN AND HOW DID YOU GET INTO THE FUCK FOR BUCKS BIZ?

DAKODA BROOKES:

I got [into porn] myself because [my boyfriend] cheated on me. I did a BJ scene while I was with him to get back at him. Then, I went back to the same guy that was in my BJ scene and I told him the story, and told him what happened and what kind of person he was, and I was like, "Dude, I want to get in." I wanted my ex to see what he fucked up with and can't have now. I wanted to make him jealous. Sure enough, [by] the third month in, I got some magazine covers and they did a big story on me. I started to do a lot of scenes and I started to working for Anabolic. I worked for a bunch of companies that were really good.

AMI EMERSON:

For work, I was waiting tables, but it affected my knee really bad, so I kind of finished up school. I had a lot of student loans. I was going to a small college and I was studying International Studies, Art History and French.

LOONA LUX:

I'm a swinger, but I'm single—you understand? I love the sex in my private life and I love the sex in my job. It's a drug for me. I have two drugs: Sex and sports. I have loved sports from a long time ago—along with sex.

LONDON KEYS:

Summer Bailey got me into it. She told me about this [industry] and three days later, I came out. I came out here with my best friend and she hasn't come back yet. She's still deciding because her parents had an intervention.

MADISON IVY:

I laid tile, I worked at In-N-Out Burger, and I was a mechanic at a bowling alley. I met Aurora Snow at the club I was dancing at. [I] loved her! None of the girls were going over to talk to her, so I just went over and told her I wanted to do porn and she gave me some numbers. It was good. They flew me down here, were very supportive, and had me go meet people. And within the first three days of being here, I was booked for a month and a half. The bucks are a lot better than at In-N-Out for sure.

RILEY RAY:

I was in Miami before this, and I wasn't making any money. I got in it for the money at first, but now I really like it. Obviously, I like the money, but I just like coming to work. It's just chill and

you don't have to worry about certain things. It's just fun and laid back. You kind of get to act like a different person in a way.

24503

TATIANA KUSH:

24971

I was working as a greeter at a car rental place. I was working my ass off doing overtime and was still just scraping by.

PHOENIX MARIE:

I didn't start doing porn until October of '07. Up to [sic] then, I was working on cars with my dad. I got tired of working for other people making no money. I was business driven—I had smarts and experience in finance. What was the quickest way to make money? Olivia O'Lovely was my neighbor growing up, and I could kind of see what she was doing. I ran into her at the AVN convention in January 2007 and I was like, 'Porn? Do you make good money? And she was like, 'Yes, but don't do it because your mom will kill me!' I was like, 'Don't worry, I won't tell her it was you!' So, I quit my job and came out to L.A.

26354

STEPHANIE SAGE:

Serving tables and going to school in Orlando, but I lived in Tampa. I'm from Oklahoma originally. I moved to Florida when I was younger when my dad got transferred.

25244

MISTY STONE:

I kind of had the prerequisite of stripping and then I kind of turned my cousin onto stripping and she turned me onto porn. Then, she quit on me, though.

25818

KIKI VIDIS:

Well, I was in Australia and I became a stripper. From stripping, I went into modeling. I did *Hustler* and *Penthouse* and everyone was asking me if I did porn and I said no. I looked into it and there is no porn industry in Australia. I was Queensland's number one stripper and I got [in] a lot of magazines, too.

25964

DANICA BLUE:

I was the front desk girl at the strip club, and I got sick of working there because I was actually dating the bouncer and everybody found out and they threatened to fire both of us. It was this big thing. Then I was like, 'I'm just going to do porn!' I don't know why, I just wanted to. Then I did [porn] and I was like, 'Fuck porn!' And then I went to stripping, and then I went back to porn.

EVIE DELATASSO:

Well, it was a progression. I've always been sort of a more 'normal' person. I had a regular nine-to-five in law offices. I did mostly legal and government work after high school. My whole life was going in another direction because I was engaged and was a regular employee. It was a whole different world. I started off doing art modeling, and then went a little into the darker side with some fetish modeling. I ended up in San Francisco doing modeling there.

KACI STARR:

Before I got into porn, I just kind of worked random jobs. I worked in a call center and it was mostly retail before that.

JAYDEN JAMES:

Straight out of high school I went into a job selling insurance. My parents always did that. After like, two years of that I was miserable. So, I started dancing Monday, Tuesday and Wednesday nights making 1,200 dollars a week, and [then] I enrolled in college. I probably stuck to that for a year and a half. So, I stopped going to school and I mentioned to a dancer once—when we were just talking about life in general—that porn might be kind of fun. It was like those girls always look so pretty and glamorous. She was like, 'Oh my god, I know this director!' So, we all went to dinner the next night and we talked a little bit and he said he would call an agent so we could talk. We did that, and I liked the guy, and I was like, 'All right, sign me up!' I did my first scene a week later.

26870

NIKKI RHODES:

Law school. I did two and a half years of law and I also interned at a family law firm. Done! I'm so much happier now!

27049

MIMI ALLEN:

I worked in an ice cream store. Working retail and telemarketing—shit like that. I did one semester in college, so I guess I'm a college drop out.

BUDDIES IN HER BEHIND!

A WIFE SHARES
HER BUTT WITH
HER HUBBY'S
BEST PAL

Sal had his wife, Sarah, perfectly trained. Women are always talking about "training" men to please them, and guys can do it with gals, too. It just takes a certain kind of cocky temperament to instruct the female in her duties not only to your dick, but perhaps even to the dicks of your friends.

Link was Sal's best buddy, but he unfortunately had married a bitch, and things quickly soured. Link was a studly type, but not quite as resilient as Sal in the tough hombre department. Link's ex had been a mega-ball-buster and left his soul wrung out. He had trouble finding chicks now.

That's where Sarah came in. Sal made her feel that it was her duty to pick up the slack until Link was back on his feet emotionally, and so she gladly invited Link into bed with she and Sal. Cleverly, Sal had appealed to Sarah's maternal instincts, explaining that her beautiful body was a soothing instrument through which Link would be healed from the trauma of his ex's miserable behavior.

Sal not only let Link fuck Sarah, but he insisted that he spend as much quality time in her asshole as Sal did. Link was grateful for this, too, because Sarah's behind was nothing short of sensational. Not to mention Sarah loved double penetration. The simultaneous dual hammering of her vag and hiney set off exciting moans and groans from the deepest part of her body as Sarah went almost berserk with pleasure. In fact, she had never had a DP before Link entered the picture.

Sal is happy to see that Link is on the road to mental recovery, and he knows that if the tables were turned, Link would do the same for him. It's a rough world, and buddies have to stick together, even when it means sticking one woman at the same time! 🍌

RILEY STEELE

DIRTY BLONDE DIVA!

Riley Steele's road to becoming a Digital Playground contract girl began when she met Jesse Jane at an autograph signing and Jesse told Riley that she would make a killing in the smut game. Riley made her debut in 2008 in one of the biggest releases in the history of porn, *Pirates II: Stagnetti's Revenge*. Fast-forward to 2010 as Riley's career continues to soar to new heights. Last summer, Riley scored mega mainstream points with her role in the cult-classic film remake, *Piranha 3-D*. On the adult front, Riley has been bestowed with the honor of hosting the 2011 AVN Awards Show while she and her Digital Playground sisters are back on top of the dirty sales charts with the release of *Body Heat*.

CI: The way your story goes is that you met Jesse Jane at a personal appearance and she helped you get into the adult business. But, what was your life like before that? Had you done any modeling or adult dancing work?

Riley: No. Before signing with Digital I led a pretty normal life. I was working at a golf course snack bar, and then Starbucks.

CI: Was a career in porn something that you had ever considered, or did your encounter with Jesse plant the idea in your head?

27915

Riley: I knew I wanted to be a sex icon since I was in my teens. When I started watching porn, I learned about Digital Playground and knew what I wanted.

CI: Some of your hottest work has been your girl/girl or threesome scenes with Jesse. Is it safe to say that there is a real attraction between the two of you that makes the scenes extra hot?

Riley: Of course! She is one of the most beautiful women in the world, and has so much energy in her scenes. I love working with her.

CI: Your first scene ever was in *Pirates II* in a threesome with Shawna Lenee and Ben English. Did getting your start in such a huge production make you nervous? What was shooting that very first scene like for you?

Riley: I wasn't nervous. It was just such a turn-on to finally have sex in front of the camera. I had never taken a dick as big as Ben's before, so that made me lose all control.

CI: Even from your earliest scenes, you seem completely comfortable having hardcore sex on set. Do you think a girl can learn to be comfortable screwing on camera, or do you think it's something that you either have or you don't?

Riley: I think it's something you have to have a level of comfort with—being naked in front of lots of people and on camera. It's also something you have to learn and work at. Having sex in front of a camera is a lot different than real sex.

CI: In *Bar Pussy* your sex scenes are hotter than ever, and you take one of the biggest double facials I've ever seen in the finale. Is it important to you to keep pushing your limits and improving as a hardcore performer?

Riley: I want to get nastier and nastier. I think it is important to keep pushing yourself as a performer. As I get older, I find myself turned on by new things and I want to do them on camera. I want to give my fans more and more with each movie I do. I feel lucky to be an adult actress. I get to live out sexual fantasies most people only ever dream about.

CI: Of course, everybody is excited about the release of *Body Heat*. Can you tell our readers a bit about what we can expect from the new Digital Playground blockbuster?

Riley: Expect the best feature we have ever done! Digital seems to top themselves with every feature we do. I won't give too much away, but what I will say is that you can expect the hottest contract girl sex scene we're ever done.

CI: Among all the cool things that have happened to you since you got into the business, where would you rank being asked to host the AVN Awards?

Riley: Hosting the AVN Awards will be something I'd rank very high, I'm honored they chose me. It's a great opportunity for me in my career and I'm very excited.

CI: In your rookie year you were nominated as "Best New Starlet" by AVN, F.A.M.E. and XRCO. Was it disappointing for you to not win the honor at any of the three shows?

Riley: Of course it was disappointing. But, I look at my career and all the things I do have going for me, and not winning an award is just a small let down.

CI: Considering your career is still in the early stages, you have been in quite a few multiple partner scenes including a killer six-person orgy scene in *Nurses*. Are multi-partner sex sessions something that is also part of your off screen sex life?

Riley: I've only ever had group sex off camera once—with a bunch of girls when I was living in San Diego. I'm not opposed to it. It's just that the situation has just never popped up again.

CI: You come across as a very ambitious lady. Do you have goals in the adult business that go beyond working in front of the camera?

Riley: Yes, I do. Right now, I'm very focused on what I have on my plate, but I have a lot of ideas and new goals set for myself. They will be revealed as time goes by.

CI: Since you've been in the adult business, which would you say is more true: That your on screen sex has begun to resemble the sex you have off screen, or that your off screen sex has begun to resemble the sex you have on camera?

Riley: It's a mixture of both. As I get older and learn about my new sex drive, the things that turn me on change. Before, I would have never considered a boy/boy/girl threesome, but now it's one of the things that turn me on the most.

CI: Digital Playground productions have a lot of mainstream movie elements as far as story and dialogue goes. Do you think that working for Digital Playground has helped prepare you for mainstream work?

Riley: Yes. Working on Digital Playground's movies has really helped prepare me for mainstream roles. I try and learn something from every shoot we do.

CI: I'm sure all your fans are happy for your mainstream success with *Piranha 3-D*. Yet, some might worry that we may lose you as an adult performer. Can you set the record straight on Riley's future in the XXX biz?

Riley: All I can say is that I'm not going anywhere. I love having sex on camera way too much. It's been great so far working in hardcore, but the truth is, I'm just getting started. ♣

AURA OF GREAT EXPERIENCE

LISA HAS BEEN AROUND,
AND SHE'LL HAPPILY SHOW
YOU WHAT SHE KNOWS

We can't decide what we like best about Lisa. This hot MILF certainly gives us a lot of attractions!

First of all, there's that lovely face with those big, gray eyes and that sweet smile. And there's something so, so sexy about the little laugh lines around her mouth, as if they're telling you here's a gal who's laughed a lot in her life, knows how to laugh, and will make you laugh as well—at the right times, of course, and not when your dick is about to blow a load down her throat! Wouldn't you just love to slide your meat through those glossy red lips?

Of course, below Lisa's face is Lisa's bosom. What is it about a chick with pierced nipples that gets to us so much? Maybe that it makes women seem like they want to belong to somebody, like a master who can give them a little tug on the nipple rings to urge them over to the bed. When we see girls with pierced nipples, we think of babes in harems, maybe hundreds of ladies of varying ages, all waiting on the pleasure of a lusty king. Lisa would fit well into such an accommodating group of gals.

However, Lisa offers even more. Besides her friendly air of experience, she's got those fine legs, high-arched feet that look so good in strappy sandals, and that pink pussy that she pulls apart with such eagerness and such well-practiced fingers. And speaking of fingers, who wouldn't like to see those French-manicured beauties wrapped around your dick for a slow and sensuous handjob—jacking you to a climax that frosts her hand with cream?

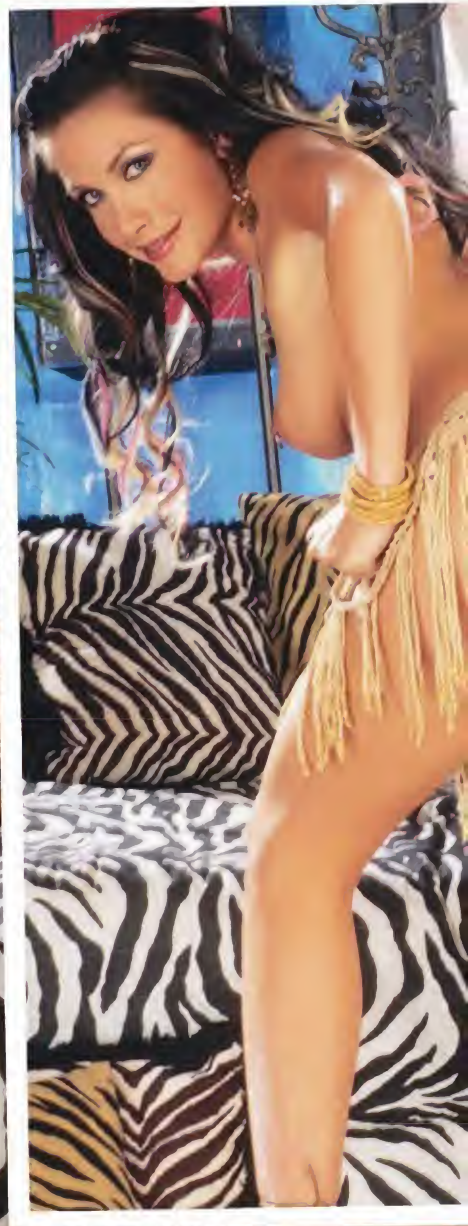

Finally, pay attention to that ass. It's major and she loves to bend over and show it off. Needless to say, doggie style is one of her favorites. And she brings some real years of knowledge to the position. So, are you ready for Lisa? She's certainly ready for you! ♣

STARRING: Jesse Jane, Kayden Kross, Katsuni, Riley Steele, Bridgette B, Scott Nails, Manuel Ferrara, Tommy Gunn, Mick Blue, Ben English, Marcus London
DIRECTED BY: Robby D
AVAILABLE FROM: Digital Playground

BODY HEAT

No matter what big budget cockbusters are released in the marketplace throughout the year, fans of adult entertainment always wait in anticipation for what Digital Playground will dazzle them with next. After winning multiple awards for erotic excellence with mega productions such as *Fly Girls* and *Pirates 2: Stagnetti's Revenge*—the Digital Playground family has become synonymous with hardcore quality. Their enviable contract roster also includes a laundry list of the brightest stars in the adult industry by claiming bombshells like the legendary: Jesse Jane, Katsuni and Kayden Kross as their very own. Their acquisition of famed director, Robby D, also adds to their overall appeal, as his style, pursuit of visual perfection, and crisp acumen for telling a story with his camera—are second to none.

Having successfully tackled an array of interesting genres—from naughty nurses to kinky cheerleaders—the dynamic duo, Digital Playground and Robby D—are venturing into unknown territory with their latest sensation, *Body Heat*. Exposing the dangerous

lifestyle and personal relationships of American heroes, *Body Heat* takes a candid, yet playful, look inside of a bustling fire station. Filled with the hottest crop of firefighters imaginable—helmed by Katsuni, their sexy fire captain—expect your temperature to rise and your cock to swell. With imminent danger afoot, and breathtaking bodies hidden underneath cumbersome fire fatigues, the stage has been set for explosive sex and heart-stopping visual effects that will undoubtedly have your hose spraying its contents!

The story begins when members of the crew are in route to dismantle a bomb that has been placed on the rooftop of an industrial building. With

a rush of anticipation and the element of danger rushing through their veins, Kayden Kross and Manuel Ferrara can't seem to contain the heat inside of their uniforms. While the EMT van rushes to the scene of the crime, Kayden yanks Manuel's bottle-sized cock from his pants and begins spiraling her lips around his mushroom tip with perfect finesse. Practically having to come unhinged at the jaw to accommodate for his size, Kayden opens wide until her eyes bulge and water. "Fuck my mouth," she practically begs, decorating his balls with the saliva that's pooling from her pretty lips. Securing his hands in her silky blonde hair, Manuel has Kayden gagging and taking dick back further than she ever has before.

Realizing that the crime scene is rapidly approaching, Manuel shimmies Kayden from her gear, buckles her in half, and circles the peach fuzz rim of her asshole with his tongue. In a sexy French accent, Manuel gushes: "Fuck baby, you taste so good."

From here, he wedges her pussy open with his fingers before substituting it for a thicker piece of meat. Howling like a monkey, Kayden goes wild. Evidenced by a swollen cunt and hot pink pussy lips that are dripping with plenty of she-cum—Kayden is clearly being fueled by an adrenaline overload that ends in a cosmic blast of creamy batter!

Once the remainder of the crew arrives to the scene, a horrible explosion ignites, sending shockwaves throughout the fire unit as the blast claims the life of one of their own.

Feeling the remorse for their devastating loss, Raven Alexis—a skillful psychologist, is sent to the firehouse to

examine the well being of the crewmembers. Taking full advantage of her expertise, Tommy Gunn sees this as a perfect opportunity to express his undying fascination for women in powerful positions. Feeling a little hot under the collar from Tommy's sexy admission, Raven opens her legs and proclaims: "I'm a powerful woman!"

With palpable sexual chemistry that clouds the room, Raven rushes to Tommy, squishing her perky mouth into his. "Take me. I'm yours," she purrs, unbuttoning her blouse to reveal the most perfect set of store bought tits imaginable! Funneling her pearly points between his lips, Tommy has Raven moaning and pulling down her panties in a matter of seconds. "Show me your pussy," he begs.

As a glossy trail of pussy pulp drips down her inner thighs, Tommy places Raven on a wooden desk to sample her sticky syrup. "This is sweeter than honey," he mouths, with a face full of gash gravy that drips from his chin. Filleted out in front of him like the daily catch, Tommy continues to examine her sublimely smooth snatch with his fingers and tongue before sending his general in to do the dirty work. Fucking her with dire intensity, Tommy builds his stride in missionary position until Raven's eyes begin to water. Clawing her nails into the desk to maintain her stability, the sleek wood becomes scratched and maimed once Raven begins to explode with a seismic orgasm that sucks the cum right out of Tommy's tool. When she's finished there, the naughty nymph summons Mick Blue into her office where he endures the same professional

treatment. Damn, we like her style!

Meanwhile, it is discovered that real estate mogul, Cash Gates (Ben English), has imminent plans of purchasing property from the city to facilitate his lofty downtown project. In a compelling twist, we learn that his acquisition includes the firehouse land. Desperate to save their beloved fire station, the crew comes together to devise a plan to raise enough money to save their property. Looking around at all the hot, healthy bodies, Jesse Jane decides that a sexy car wash is in order. With soapy bodies and plenty of tit to turn your chub into a rock-hard bone—the crew goes wild! Barely earning 86 dollars for their “Slippery when wet” efforts, they are forced to go back to the drawing board.

Wanting to help in any way she can, Riley Steele decides to pay Ben English a personal visit to plead their case. Entering into his office, Ben is immediately drawn to Riley’s angelic face and banging body. When negotiations get her nowhere, Riley decides it’s time to play hardball...with his nuts!

Starving for blonde meat, Ben and Bridgette B—his super sexy assistant—spread Riley open like a wishbone and begin to feast on her delicacies. With both faces locked between her legs, the kinky duo engage in a torrid tongue fight to see who will win first right of entry into her freshly shaven snatch. Using her cunning female guiles to her advantage, Bridgette B wins out. Pushing Ben aside, Bridgette binds Riley’s legs together and begins jackhammering her tongue into position. With audible growling sounds that fill the room, it becomes evident that Bridgette has turned from a porn princess into a primal panther out on the prowl. “Just lie there and take it!” Bridgette chugs between bites, as Riley tries to squirm away.

As Riley continues to flop around like a flounder, Ben takes this as the perfect opportunity to integrate himself

"With both faces locked between her legs, the kinky duo engage in a torrid tongue fight to see who will win first right of entry into her freshly shaven snatch."

into the hardcore action by locking loins with Bridgette in doggie position. In a fully formed fuck train, Bridgette continues to feast while Ben pounds her round into delicious ground beef. "You're so damn tight," he moans repeatedly, as Bridgette opens her legs wider and pushes her ass out.

"I want a turn, too," Riley eventually whines when she notices how good Bridgette is getting it from behind. Arranging the girls in the sixty-nine position, Ben circles the ladies while stroking his cock. Smacking Riley across the ass a few times as a way of branding her, Ben dips his dong inside her gooey clam. Immediately filling up with chill bumps as he enters her, he loudly exclaims, "Damn, I love my job!"

As that scene concludes, we travel back to the fire station where Jesse Jane is showing Scott Nails the sexy photographs she plans to enter into the "Sexiest Firefighter" contest. Immediately getting hard from Jesse's tan skin and curvy girl lumps on display, Scott goes in for a kiss. Also feeling excited, Jesse accepts his erotic invitation by putting her hand down his pants. Delivering one of the best blowjobs in the movie, Jesse works back his cock with expert precision. With no visible sign of a gag reflex, Scott's entire nail disappears down Jesse's throat, resurfacing after several minutes of skillful tonsil tugging. "Oh my god, have you been practicing?" Scott jokes, as Jesse comes up for air and sheepishly nods her head "Yes."

From here, Scott rests Jesse's left leg onto the back of the fire truck and begins to tackle her from behind. Smacking herself backwards against his joint, it becomes evident that Jesse has full control of this situation despite the submissive positioning he's put her in. To regain a bit of his dominance, Scott peels Jesse's legs open like a banana and fucks her while she stands in the splits! "Oh baby, that's how I like it," Jesse moans, as Scott sprays her down from naval to nose ending their scene as hot as it began.

With all this explosive fucking going on behind closed doors, Katsuni begins to feel a left out. Wanting to burn off a little steam and aggression for herself, she decides to join Mick Blue and Tommy Gunn in the shower. Completely surprised when she lets her guard down, the men treat Katsuni well, in an effort to show support for her decision. With two cocks dangling from her perfect pout, Katsuni reigns supreme as queen cocksucker of this production. Totally arousing both the cast and crew, the room falls silent as Katsuni takes the men one at a time for what becomes one of the most momentous scenes of the movie!

As the suds mix with sperm across Katsuni's super-model body, my time on set ends. With six scenes witnessed firsthand, there is still more hardcore action to come. Not to mention the all-girl orgy that by all accounts will be one of the hottest lesbian liaisons ever captured in pornographic history!

Anxious to watch all the bits and pieces come together in what is by far a shining example of where Digital Playground plans to go in the future, expect to be blown away with danger, passion, and enough action packed sex to turn your home into an inferno of lust. Don't say we didn't warn you! 🍌

VITAL STATS:
This voluptuous, Latin flower was born just 19 short years ago in Taos, New Mexico. She currently lives with her mother and sister in *San Diego*.

LIKES:
To rebel against the "Fake American perception of beauty". Toothpick women do not fly in the Latin culture. A real woman should have curves...and boy do I have them...don't you agree?"

DISLIKES:
"The brain-washed local boys who think beauty is a low number on a bathroom scale. You like what you see, right? So then call me!!!"

The Write STUFF!

(continued from page 6)

him hardcore. (Yes, that's exactly what she said!)

It took him three days to finally get around to telling me about meeting Ginny. After talking with him a while, I realized he was feeling guilty because what he really wanted was to get it on with her. I won't say I wasn't jealous, but more than that—I was curious. Ted and I had been married for almost five years, during which time neither of us (as far as I know) had had any extramarital affairs. I'd often fantasized about sleeping with other men, and there had been a couple of occasions when I came damn close to doing it, so I told Ted that maybe we could work something out.

I wasn't about to tell him to just go ahead and fuck her, but I wanted to leave the door open for future flings of my own. Even though I wasn't at all sure how I would react, I told Ted that he could have Ginny—as long as we made it a threesome!

When she came to our house a couple of nights later, I could see why Ted found it hard to get her out of his mind. She was a petite little thing, about five-feet-tall, and she couldn't have weighed more than 90 pounds. Her breasts weren't very big, but what boasted was quite plump and juicy-looking. I really could tell because she was wearing one of those tube tops over her jeans, and her tits were so perfectly outlined beneath it. I could even see her long nipples poking through the stretchy fabric. She had a face like a doll and a way of motion that spoke volumes right away about how interested she was in fucking—anyone, that is.

Ted's eyes bugged out at the sight of her, and his cock was soon throbbing in his pants. He introduced us and she seemed pleased to meet me. I sat down in an easy chair and sipped a stiff martini, while Ginny acquainted herself with my husband's body on the couch. She ran her hands all over his chest, and I could see her little body begin to tremble with excitement. She was soon whimpering and tugging at Ted's pants, imploring him to take them off. He did, and I watched with pride as Ginny took in the sight of my husband's long, thick cock. As she stood and took off her clothes, she kept her eyes trained on his prick as though she couldn't bear to lose sight of it. When she was naked, she knelt between his legs and took his shaft in her hand. Cooing softly, she rubbed her cheek against my husband's cock.

Watching Ginny blow my husband had an incredible effect on me. For the first time in my life, I actually wished I were sucking his cock. Ginny held his balls in one hand and the base of his cock with the other, and she wasn't the least bit shy about slurping down six inches of his shaft and sucking noisily while I watched.

I'd never seen Ted happier. I was beginning to get awfully excited, and I knew the crotch of my panties was already wet. When Ted said, "Yes, baby, suck me, make me cum!" and buried his fingers in her hair to pull her head tight against his groin, as I moaned out loud with pleasure.

I could tell by the way Ginny was acting she was getting ready to swallow his load. Her whole body tensed, and her head bobbed up and down

I was so damned hot that I almost didn't care who got me off, as long as someone did the job. Ginny came to me and raised my skirt above my waist. She pulled my panties down while I raised my hips to help her. Then she said her knees were about to give out, and would I mind sitting on her face?

I didn't know what to say. I never even sat on Ted's face. But then I looked at Ted, and I saw that even though he'd just cum, he was getting excited all over again. So, when Ginny lay down, I went right over to her, planted my feet on either side of her head and squatted until I felt her tender lips on my hot, wet vulva.

She didn't beat around the bush, not in the least. Her tongue went straight for my clit, and I

was soon withing on top of her, grinding my pussy into her face as she licked, kissed, and sucked me to the very first cunnilingus orgasm of my life. And the whole time she ate me, I looked at Ted and he looked at me, until finally, the thrilling sensation of climax began to overwhelm me, and I closed my eyes and gave myself over to a great, big, juicy orgasm!

When I moved away from Ginny, her lovely face glistened with my cream. Ted and I both wanted to give Ginny at least some measure of the pleasure she'd given us, so while he slowly fucked her, I kissed and licked her whenever I was in close reach.

For the next six months, Ginny visited us a couple of times a month. Then she moved out of state, so we've taken on various other lovers. We also spend much time fucking and sucking each other. Ours is the perfect marriage!

THE RIDE OF THEIR LIVES

I had always suspected that Rita swung both ways, but I never had the nerve to verify my suspicions. I got my chance because of a stupid joke. It took place during a trip that she, her roommate and I took cross-country. We rented one of those self-contained RVs and took turns driving.

When it happened, Rita's roommate was driving and we were lying around on the bunks in the back of the RV. We were so bored that Rita reverted to looking out the back window, waving at strangers. I crawled into position beside her and she nudged at my elbow.

"Want to see this one blush?" She giggled. Before I could say yes, she had raised one side of her tank top and was showing her bare nipple. His car swerved and his mouth fell open. He lost speed, but he quickly closed the gap while Rita and I laughed like crazy.

"Let's double his pleasure," she said, as soon as his car was behind us again. "When I say 'go,' lift your blouse!"

The Write STUFF!

(continued from page 116)

It was dumb, but it was also damn exciting. Of course, Rita had no idea that my attention was on her nipples, rather than the poor fool behind us.

"Go," she squealed, and we jerked our shirts up to our chins. "I think he wants to suck them," she giggled.

Rita's eyes met mine and then they moved slowly downward until they were focused on my

whole scene. "Sure," she smiled, "We might as well give him his money's worth!"

As soon as my lips made contact, Rita shivered and stuck most of her tender tit into my willing mouth. "That's it," she cooed, "Your tongue makes my pussy tingle."

"I Bet he would go nuts if we flashed our beavers," I stammered, not really believing that I had said it so naturally.

Rita's eyes sparkled impishly, and she nodded her head in agreement. "We can't really do it," I giggled, as I watched my horny traveling companion squirm out of her shorts and panties.

"Sure we can," she whispered, as she dragged a finger upward between the wet, pink lips of her pussy. The aroma of her excitement flooded my senses, made my head swim, and my pussy so wet that I was shaking.

My whole body was tingling. I was still afraid to tell Rita what I really wanted. Luckily, she was way ahead of me. Before I knew what was happening, she squatted in front of me and pushed her tongue into my box.

The guy behind us was probably going nuts, but I had no time to worry about him. I was too busy creaming all over Rita's talented tongue. I came so hard that I had to hold her shoulders for support. It was the best orgasm of my life—and it felt like it might last forever!

When Rita finally pulled her tongue from my slippery hole, I fell into a sitting position on the bed. She gave me a big grin and licked the last of my juices from her lips.

"I Guess I taught him a thing or two," she gasped, as one of her fingers disappeared into her soft, pink slit.

nipples. "Maybe we should do it for him?" She cooed, as she cupped my breasts and teased the nipples with her warm, soft fingers. My nipples stiffened instantly. I sucked in my breath and felt a warm glow building beneath my legs.

"I think he's playing with his dick," she panted, as she lowered her head and let her lips close over my left nipple. I stroked the back of her head and moaned softly, while she teased my nipples until I was ready to cream in my panties.

When I was sure that I could stand no more without having a screaming orgasm, I pushed her head away and looked at her tits. "Now I'll do you," I mumbled, still a little embarrassed by the

"Come on," she said, "Let's do it together. I Bet he shoots off all over his genuine leather upholstery."

I shed my shorts, but not for the reason that she suggested. I had all but forgotten the guy behind us. I wanted Rita to see my pussy. Hell, I wanted her to eat my pussy. I just didn't have the courage to tell her.

As soon as we were naked from the waist down, she counted to three, and we stood up so that two ready cunts were framed by the window. She was right. The guy was jerking off. I could see his right hand moving up and down, while he did his best to keep his car in his lane with the other.

My shyness was gone. I pushed her hand out of the way and let my finger glide between her slick lips, while I rocked forward onto my elbows, so that I could kiss her clit. I pushed my finger in and out of her cunt, and she acted as if she was getting poked by a stiff dick. "Yeah," she panted, "I'm almost there. Make me cum!"

When her orgasm hit, I jammed my tongue into her pussy, and she clamped her thighs tightly around my head, while she hunched like crazy. I made her cum three times before she pushed me away and let out a satisfied gasp. The rest of the trip was just as much "fun!"

TRUCK STOP FUCK SHOP

Dear Club International,

I've been on the road over 25 years now. I've hauled freight for several of the major truckers in the Midwest and I've always loved it. I've heard, seen and done a lot over the years, but the experience I'm about to relay has to be the best in all that time. Even though it happened about 20 years ago, it's still as vivid in my mind today as the day I lived it!

Back in the day, like most truckers, I spent a lot of time in the cab listening to the CB. For a long time, I heard the guys talking about a diner—a popular truck stop midway between Freemont and Grand Isle on Rt. 80. At that place, there was a certain active and accommodating waitress there named Angie, who worked the night shift. At first, I thought a lot of the talk might be locker room bragging, but after getting bits and pieces for over two months, I'll

leak, and washed up. Making myself comfortable at the counter, I got my first shot of Angie. There was no doubt in my mind that it was she. Two big, round tits strained against her V-neck jersey, and as she bent to wipe off the area in front of me, it was obvious they were all hers! She made sure I could see they were the real thing.

"What can I do for you?" she purred in a sultry voice.

"It depends on what you're offering!"

"Until we close at 3:00, only what's on the menu. After that, who knows?"

I figured then if I played my cards right, I'd be doing a little CB bragging of my own.

It was getting late and the place began clearing out. At ten minutes to closing I was almost done eating, when Angie moved onto the seat next to me and said, "Don't humy, honey, you can help

"I knew I was really going to score big when I reached her warm, wet crotch!"

admit, my curiosity began to get the better of me. I decided that if I were ever near the area, I'd be sure to find the time to stop.

Well, fortune smiled down on me one day when one of the drivers scheduled for the normal run down 80 had to cancel. I was on a three-day layover and volunteered to take his place. After three hours on the road, word of the diner and Angie penetrated the static. It was about 9:30 and I was getting on the CB and I figured at the rate I was going, I'd make the diner by 2:30 a.m.—just before closing. "What the hell," I thought. I'd go for it. I would probably only have time for a cup of coffee, but I'd finally get to glance at this sexy, new "Queen of the Airwaves" I keep hearing about.

I pulled in about 2:15, in need of a hot cup of coffee and a good stretch. Just how much I was to stretch, I could never have guessed.

There must have been a dozen rigs parked outside, meaning either the service or the food must be pretty damned good. From experience, I can now tell you it was a lot of both!

First thing inside, I staked out the men's room, went in, took a

me close up tonight!"

That sounded just fine with me, and I let her know it. A few minutes later, as the last customer left, she locked the door and hung out the "Closed" sign.

"There," she said, hips swinging as she walked back toward me. "Now we have time to get better acquainted," she said, as she parked that gorgeous ass on the counter right in front of me.

Placing my hand on her knee, I let it slide slowly up her inner thigh. I figured if I could work my hands underneath the elastic of her panties, I could get a finger into her. I knew I was really going to score big when I reached her warm, wet crotch, and discovered she wasn't wearing anything at all.

I pushed her legs apart and buried my lips in her hot mound. My tongue flicked over her clit, and then thrusting out my tongue, I fucked her with it, jamming it into her as deeply as I could. I relished her delicious juices, feeling her slippery wetness covering my lips and chin.

My mouth devoured her clit, sucked and pulled at it. I slid two fingers quickly into her dripping hole

and began pumping her with them. I knew I had her as hot as I was, and she began moaning and cried out, "Fuck me now!" Without a moment's hesitation, I stood up, dropped my pants and without changing position, rammed my stiff cock into her wet hole.

She tightened her cunt muscles and squeezed my rigid prick as I pumped her furiously. I pulled out, eased myself back onto the stool, grabbed her off the counter and jammed her onto my thick rod. I held her hips, but she didn't need any help sliding her tunnel up and down the shimmering length of my cock. We lost all control and I exploded inside of her just as she came.

Sliding off my cock, she sank to her knees and lovingly began cleaning our juices from my limp cock. As I began getting hard again, she sucked more and more into her eager mouth until I could feel the head hitting the back of her throat.

I reached down and pulled her top above her breasts and grabbed handfuls of soft,

white flesh. Her hard nipples pressed against my palms as I rotated them. Hungry for a taste of her tits, I raised her up and sucked one and then the other into my mouth as my cock slid in and out between her lips.

I knew I had to have her again, and she was just as ready. Quickly, she moved to the first booth, raised her skirt above her waist and positioned herself on all fours on the seat. Her white, well-rounded ass was gorgeous, and her dripping wet cunt lips peeked from between her smooth thighs. I plunged my cock deep between them, driving into her wildly as the red neon sign outside flashed on and off to our rhythm. I soon felt her shuddering beneath me, and I pulled out my prick and flooded the valley between her cheeks with my love juice.

Later, driving down the highway that night, I thought of Angie—and I haven't stopped thinking about her to this day!

GREAT EJACULATIONS VS. LAME CONVERSATIONS

Dear Club International,

I haven't been able to get this girl, Felice, out of my mind. I met her at a bar on a Sunday afternoon when I was having a lazy beer by myself. She came in alone, and we started talking. I didn't find her conversation interesting, but she was nice to look at, so I thought I'd see how far things could go, we decided to head to another place for dinner that very night.

Usually I'm the aggressor with women, but while we

were waiting for a cab after our meal, Felice pulled me toward her and kissed me. I totally didn't expect it, which isn't to say I didn't like it. Her mouth had a fantastic taste, not from the dinner, but just from whom she is. You know what I mean?

Sometimes a female has a taste you really, really like. Maybe because the conversation had been so boring, I wasn't expecting much? You know how some women are just all flash? However, when

Felice slipped her tongue into my mouth and pulled me toward her by my trousered ass, I was a goner. We finally got a cab and made out for the entire ride. The driver looked annoyed, but once Felice put my hand underneath her skirt, there was no stopping this naughty minx.

No sooner did we close the door at her place did she undress me aggressively. I felt weird being naked before she was, but “weird” seemed like a normal procedure for this chick. Still fully clothed, she got down on her knees and sucked me—hard! She used her tongue like a hangar for my rod, just kept it in there and sucked so hard and so well that I thought the ownership of my

goosey dick on her thigh. I got down on my knees and ate her pussy at the side of the bed while she ran her fingers through my hair. She pulled me up on the bed very lightly by my ears and straddled my face with her pussy. She was juicy and strong-smelling, but I loved it. I held her asscheeks as I lapped at her clit until she shook and twisted on my face. Now we were even with one orgasm each.

She stroked my dick as we lay on the pillows and kissed. I could have looked at her sexy face for a month straight. Her lips were glossy red, and no matter how much we kissed, they stayed that way. Finally, I was huge

“I kissed her hard as I moved my dick back and forth in her juicy cunt!”

cock was being transferred to her. I blew my load in her mouth too soon before I could pull it out, but Felice didn't get mad. She just stood up with a grin, swallowed, and stripped her own duds off.

We faced each other in the foyer about three feet apart—naked man and naked woman. Her tits were amazing—heavy and soft—and I reached out and played with them as she looked at me with penetrating eyes. She then took hold of my wrist and led me into her bedroom. I walked behind her and watched her full, round ass swaying. She had the kind of walk—barefoot and naked—that most women only get when they wear heels and a skirt.

I kept thinking to myself how it's so crazy to be bored to death by a chick's conversation, but totally absorbed in every inch of her body. I sucked on those tits and rubbed my face all over them as I humped my still-

again, just like I'd never cum at all, and she pulled me on top. Again, it was weird—I was just about to climb on her myself, but I was glad she beat me to it and “put” me into position. I saw her face against the pillow with its mass of gorgeous hair. I kissed her hard as I moved my dick back and forth in her juicy cunt. It was missionary position—nothing inventive—but as hot as could be. I felt her tits squeeze against my chest as I plowed faster. There was just the sound of our breathing as I fucked her right into that mattress and then came a big, fat, wet load deep inside her.

As soon as we finished fucking, we started talking again, and the conversation got a little more entertaining. I knew that night—just as I know now—that I'm not finished with Felice. The fucking is too crazy good!

NEW LESBIAN EYES

Dear Club International,

Some vacation! When I got back to the hotel suite from the pool, my husband, Brad, was out. We'd had a fight the night before, one of our usual combats—and our attempt at patching things up through this "second honeymoon" had fallen flat. I figured he was down in the casino bar, trolling for some easy girl to make him feel like he was already a free man again.

I didn't care. I knew now our marriage was finished. So, when I was down at the pool, I'd struck up a conversation with a good-looking woman named Rona. She didn't have any husband to tie her down and she had a body that obviously took her places. I figured maybe she could give me a travelogue on the best countries to hang out because I was going to need it as I prepared for the single life again. I invited her up to the suite, figuring Brad wouldn't be there, but not caring if—for some reason—he was.

First, Rona stopped by her own room and changed. When she got to my suite, I saw that she also dressed in a way that took her places. She had glamour and style and I wanted a little of it to rub off on me. I'm good-looking, but nothing like Rona.

Well, she'd only got dressed to get undressed! As I was mixing margaritas, she started kissing me on the neck. Maybe I was half-expecting it because I didn't jump, but instead turned to face her? I had never been with another woman, but had thought about it many times. Rona was a good place to start, I thought. I kissed her, pulling her body to mine. As I felt her under her dress, I noticed that her skin was still warm from the hot sun.

When we broke apart from our kiss, Rona poured the margaritas I'd mixed, however, we didn't get far with a toast. I led Rona into the white sheets of the bed I'd shared with Brad, but would share

with him no longer.

I'd always wanted to undress a woman, and Rona let me have the privilege. It was strange, because even though I'd seen most of her bikini body down by the pool, it looked somehow different coming out of regular clothes. My urge was to rip off everything and get her naked instantly, but I forced myself to slow down. A good move, because then Rona started undressing me at the same time—and we kept kissing.

Yes, when Rona was nude on the bed, she looked different than when she had on her bikini. Or maybe I was seeing her with different eyes—lesbian eyes—as I pressed my face into her breasts and let my hand slide over her pussy? I was hungry for her voluptuous, earthy body—tan, strong and confident. I wanted to feel her spirit mingle with mine.

I wished she had a cock like a man so she could have fucked some of that spirit into me, but I discovered that her fingers did the job just as well. She laid me back and kissed me hard while cramming three or four fingers into my pussy. She held them tightly together and picked up a rhythm like a man with a penis. I looked up at her as she was fucking me this way looking almost masculine as she did it. Then, she pressed her mouth on mine again and I couldn't see her face anymore for a while.

I almost wanted Brad to come into the room now and see me there with Rona; it would have been perfect. However, my feeling for Rona wasn't just based on revenge. I was so hot for her I was trembling. She kept fucking me with her fingers until I exploded,

lifting up my crotch and bucking crazily on her hand.

"Now let me do you," I said, trying to lean her back so I could fuck her with my own fingers.

"No, baby," she said, "Stay on your back." Rona straddled my head and I felt her hot thighs against my cheeks as she squeezed me lightly and lifted my face with her two French manicured hands into her sloppy pussy. She had big

lips that hung down and I sucked on them. Then, I stuck my tongue inside her hole and scooped out the wetness and swallowed it. Rona laughed in a kind of ecstasy at this, but then she almost growled at me to stay with her clit and make her cum that way. "I know you can find your way to my hot little bean," she said.

I sure did. I was surprised how naturally it all came to me, and by the time Rona drenched my face—and Brad's key opened the door—I was well on my path to a new bisexual life.

PLAYTIME!

Our new contributing editor, Ivy O'Neil reviews sex toys while still trying to concentrate on all her other work!

HAPPY COCKS DANCING!

Speaking of parties, I recently went to one of the bachelorette variety, and I knew the night was going to be wild when the tables in the restaurant's private room were covered with tablecloths decorated with happy, dancing cocks! I asked the girl who organized the party where she got those

cloths, and she said she'd been looking up some of my other "Playtime" suggestions at the Cal Exotics site (she's a reader of our magazine) when she stumbled on the Let's Party Happy Penis Partyware Table Cloth in the Gag Gifts & Party Favors section of the site! Well, I wonder if I should tell you what went on in that party room later that night...

There was a male stripper...no, there were two male strippers, I think...and a lot of tequila...and the bride-to-be was-if I remember clearly-jerking off one of the strippers into a Let's Party Happy Penis Partyware Napkin...and I think she aimed his spurring mess onto a Let's Party Happy Penis Partyware Dinner Size Plate.

It only goes to prove that showing females even cartoons of cocks can be a recipe for wildness- especially if we're downing tequila shooters! Go to www.calexotics.com for your own partyware and see if it makes your girlfriend go cock-crazy!

SUBMIT TO THE LOVE MACHINE!

I've told you of my bi-curious adventures, but let me share now about an unfulfilled fantasy. I want to submit to a beautiful blonde woman in a white lab coat. I want to be laying naked on a medical table, playing with my tits and pussy while she stands over me and tells me I should move my hands aside

and let science take over! Then she would introduce me to her "love machines."

You see, I had forgotten about this fantasy until I came across the Dr. Z Nipple Pleaser from www.calexotics.com. It's a very bizarre looking device that aims to give a "total body experience" with its suction and vibration from what are described as a "finger-grip pump" and two "micro-stimulators with soft Jelly ticklers." All I know is that this contraption-which uses six watch batteries and has "quick release purge valves" and a "Y-converter for simultaneous vaccum control" really sounds like something out of my most intense female mad scientist sex fantasies! I have masturbated already three times just looking at the box of the Nipple Pleaser. Hey, I want to "experience" it, too, but first I have to find a blonde in a white lab coat!

Well, dudes and dudettes, that's it for this issue! Follow your Pervy Ivy's suggestions and have yourself some memorable Playtimes tonight! ♣

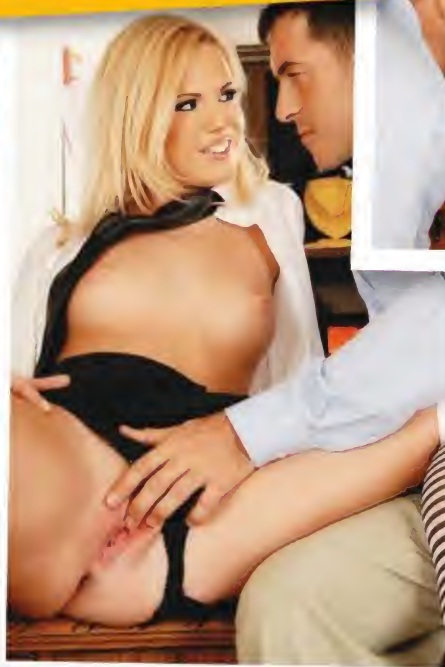

SEXY INSTRUCTRESS!

Recently, my occasional bed-buddy, Brick, and I had a disagreement and broke up for a little while, and so in the meantime I went out with some other guys I met around town. One guy named Tim was nice but very shy; so shy he was afraid to hold my hand! So, I took him to my apartment and told him to strip naked. He was nervous but excited to follow my suggestions. Then I went into my closet and took out my Shane's World College Party Doll-just one of the interesting items from Cal Exotics that I get to review for this column. I sat Tim down on the sofa and put the College Party Girl in his hands. With its four-color face and three love-holes, it was the perfect mentoring assistant! Meaning, I was the mentor, and the College Party Doll assisted me. As it says on the box, she likes to be a sexual tutor! I told him the practice he'd get with the CPD (as I called her) would relax him for ME! I supervised while Tim kissed the CPD, fingered its pussy, put his cock in its mouth, and even paid a visit to its backdoor. Tim was so aroused that he shot off all over the CPD's smooth PVC thighs. I told him it was okay, though, because now we were going to take our time while I showed him how to make love to ME! Tim and I have since concentrated on each other, but every once in awhile, I get out the CPD just because I like to see him put his cock in it! I think I'm a real girl-perv, don't you? Anyway, the CPD is good for bachelor party antics as well as private tutoring, so look for it in the Shane's World section at www.calexotics.com!

PASSION THERAPY

A WEEK IN A FRIEND'S APARTMENT
REIGNITES A COUPLE'S LUST

Things had been a little dicey between Christine and Philip. This attractive young couple seemed to have lost the zest in their relationship. However, a wise and freewheeling friend of Christine's named Yolanda suggested that they spend a week in her apartment while she went on vacation. "The change of scene will do the both of you good," Yolanda said. And she told Christine that she could even avail herself of Yolanda's wardrobe, since they were the same size.

Philip thought the idea was a bit goofy, but since he loved Christine he figured he'd cooperate.

Christine was a conservative dresser, and just for fun one afternoon, she tried on some of Yolanda's things. Yolanda had a boyish way of dressing, with ties and men's shirts, but kept feminine with funky skirts, stockings and shoes, and when Christine found herself in some of that garb, she felt a change come over her. It was like she could pretend that she was Yolanda, who was an adventurous spirit. She even made up her face in the dramatic way Yolanda was known for.

When Philip got home from work that day, the transformation of Christine really kicked in. She found herself kissing Philip in a passionate manner she hadn't for some time. She didn't even want to wait for them to go into the bedroom, but tugged his cock out of his pants as she pulled up her skirt and spread her legs so he could start fucking her right away. Philip was a little startled by this turn of events, but he wasn't about to argue with it! He liked this alternative universe version of Christine. As he put his cock in her from behind, which he hadn't done in a while, he gave thanks for Yolanda's naughty influence.

And when he sprayed his cum all over Christine's mouth, he began to wonder if someday he could get that smart hottie, Yolanda, to join them for a threesome! ♣
